2027 FACTSHEET

Cora Assistant

Available daily from 08:00 to 24:00, CORA Assistant is supported by our professional Guest Relations team, providing both personal and digital assistance to ensure that every guest request is handled quickly, efficiently, and with the highest level of care.

CORA ACCESS – Digital Information System

CORA ACCESS is an AI-powered digital assistant operating via WhatsApp, developed to provide guests with quick and easy access to all hotel information without leaving their current location.

With this user-friendly system, guests can:

- Communicate directly with the CORA Assistant.
- View restaurant and bar service hours.
- Access the latest entertainment and activity schedule.
- Instantly obtain general information about the hotel and its facilities.

CORA ACCESS makes your holiday experience more comfortable, practical and interactive.

Cuisine Journey

Embark on a unique culinary journey with carefully selected specialties from Turkish and international cuisine, complemented by a variety of themed open buffets and authentic regional snack selections inspired by the diverse flavors of Türkiye.

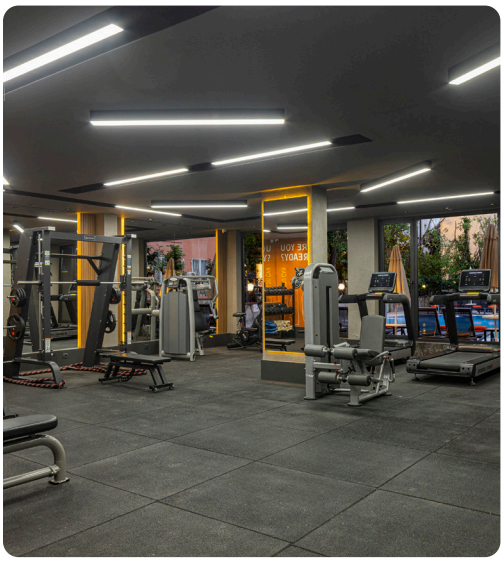

Blendology

Discover the art of mixology in our contemporary bars, where our experienced mixologists craft exclusive "Coracesium" Signature Cocktails using carefully selected ingredients and distinctive flavour combinations. Guests can also enjoy a wide selection of local and premium alcoholic beverages.

BLENDOLOGY goes beyond traditional cocktails, transforming every sip into a unique and memorable experience.

Cora Fit & Healthy

Everything you need for a healthy and active holiday is here. Refresh your body and mind in our modern Fitness Centre, and relax in our SPA & Turkish Bath, where wellness and comfort come together.

Future Earth

We are committed to building a more sustainable future for the next generations by investing in renewable energy solutions and promoting efficient energy management throughout our hotel.

Our sustainability initiatives include:

- ISO 9001 Quality Management System
- ISO 10002 Customer Satisfaction Management System
- ISO 14001 Environmental Management System
- Solar Energy Panels
